

The background image of the header is a photograph of a person paragliding over a vast landscape. The person is seen from behind, standing on a grassy cliff edge with their arms outstretched. A large, light-colored paraglider is visible in the sky above them. The sun is low on the horizon, creating a warm, golden glow over the mountains and a winding river in the distance.

Activities

There are many planned activities at all the cliff sites. Some are scheduled daily, weekly, monthly and yearly. These activities are not however run by the state park and recreational department. They are operated and manage by private vendors but are partners with the state department. Therefore, for schedule inquiries or information, please contact them directly. For a list of activities,

please refer to the table below:
